“Publisher: At the end of the editor's note that follows 18 AAC 50.030, please add a new paragraph to read as follows:”

In Register 220 (January 2017), the Department of Environmental Conservation made two updates to the State Air Quality Control Plan, adopted by reference in 18 AAC 50.030; one update dated <sup>“initial”</sup> September 7, 2016, that took effect November 26, 2016; and a later update dated October 20, 2016, that took effect <sup>date</sup> {effective date of regulations}. The text of 18 AAC 50.030 gives the effective <sup>date</sup> of the second update, and thus incorporates the effective date of the prior update. For each update, a separate effective date appears in the history note for 18 AAC 50.030.
